Sub: - Thanks letter

Thank you for your Continuous support with Can Support, you are always available at the time of need in the span of such short notice.

I would like to say a big thank you for the wonderful session you took for two palliative care workshops (One for Sant Parmanand Nursing College on 6th June 23 and Kasturba Gandhi Hospital, Nursing Students on 16th of June 2023)

The session was very energetic and was really enjoyed by all the Nursing Student, their smiling faces and fun movements was the highlight of your sessions. All the students took an active part in the session. After a tiring day of academic sessions with palliative care, your session enlightened the participants with great energy.

Your sincere efforts are really appreciated.

Looking forward to your valuable support in future sessions.

Regards,
